A note from Sarah

As we step into a new year, we wanted to pause and thank you for your prayers, your generosity, and your trust in this mission. **Lives are being changed in quiet but powerful ways.**

And as grateful as we are for what God has already done, we are just as expectant for what lies ahead.

The road ahead will take faith—but we walk it with confidence, knowing we do not walk alone.

Thank you for standing with us. Thank you for believing that every child is worth fighting for.

With deep gratitude and hope,

Sarah Ellis

Executive Director

Praying for Children & Families of MFA

We are grateful for our partners in ministry and the many ways you stand with My Father's Arrows. One of the most vital ways you support this mission is through prayer. **Your prayers matter. They cover moments we cannot always see and strengthen hearts in ways only God can.**

We are reminded in James 5:16b that:

"The effective, fervent prayer of a righteous man avails much."

Below are ten intentional ways you can pray alongside us:

- **Healing and Restoration**
Pray for emotional, physical, and spiritual healing as God restores children and families.
- **Strength and Wisdom**
Ask God to give courage to children and families, and discernment and compassion to caregivers and staff.
- **Peace and Protection**
Pray that Christ's peace would guard hearts during fearful or uncertain moments, and that God would protect families in vulnerable seasons.
- **Provision and Support**
Ask God to provide the financial and spiritual resources needed for care, counseling, and long-term stability.
- **Faith and Hope for the Future**
Pray for growing trust in God, restored relationships, and renewed hope as families move toward the future He has prepared.

Built by Example

The strongest lessons aren't spoken — they're shown. Recently, one of our students stood beside a farrier, learning how to trim and shoe a horse's hooves. It wasn't a classroom lecture. It was side by side. Hand over hand. One lesson at a time. In the quiet rhythm of rasp against hoof, **something deeper was taking place than simply learning a trade skill.**

Moments like these shape hearts. They build confidence. They teach patience, responsibility, and the value of steady work. A horse won't respond to frustration or fear — it requires calm leadership and trust. That lesson carries far beyond the barn.

Something as simple as shoeing a horse becomes an opportunity to point a young person toward who God created them to be, and equipping them for the path ahead.
